History of New England, 1630-1649 - John Winthrop

History of New England, 1630-1649 John Winthrop

John Winthrop served as governor of the Massachusetts Bay colony for several years. His History of New England, 1630-1649 details life in the colony and narrates several controversies that arose within the plantation. Examples include the excommunication of Anne Hutchinson and a civil suit over a sow that expressed the tension between the aristocracy and democracy and led to the establishment of the bicameral system within the New England government. The Pequod war, treaties with other Native American tribes such as the Naragnassetts, and the establishment of the United Colonies are also covered. (Summary by Aaron Decker)

Read by Aaron Decker. 27 Tracks. Total Duration: 22:15:05
